

**B.T.B.A. Tenpintour**

**2024**

There are no Gentlemen Bowlers who have won six Tenpintour Titles. Mike Sykes and Alan Keddie have each won five titles, so one more win this season from either of these two and we will have our first Tenpintour Gentlemens Six Title Holders. We also have another five Gentlemen Bowlers who have won four titles, Roger Hurst, Tony Imren, Steve Bose, Dave Bristow and Martin Green. If any of these bowlers win two titles this season then they will find themselves in the still empty, Six Title Holders club. Winning two titles in one season has been done four times before, in fact Roger Hurst won three titles in 2012, as Did Alan Keddie in the following year. Mike Sykes won two in 2015, Dave Bristow did the same in 2016. Gary Christophers two titles in 2019 were The Order Of Merit and The Masters, the only guy to have done a double of the top three titles (the treble can't be done in the same season) and Martin Green won two in the 2023 season.

So winning multiple titles in the same season is possible because we know it has been done in the past however, with so many new and talented bowlers joining the tour, event by event, winning one event let alone two is going to be a true challenge this year
